

# Tyler Christian

2019

What one word best describes you?

**Invested**

**Title:**

**Marion County Engineer**

**Employer:**

**Marion County**

**Lives In:**

**Rural Marion County**

## **Activities:**

Knoxville Rotary  
THRIVE Knoxville  
Tracy Festival Committee  
Celebrate Church

## **Education:**

High School: Twin Cedars-Bussey, IA  
University: Iowa State University-Ames, IA

## **Working in Marion County:**

This is a progressive community always looking to do more and be better for the greater good.

## **Living in Marion County:**

There are many social, recreational, volunteer, and career opportunities of all kinds for people to enjoy regardless of your likes and interests. Big city adulting in small communities of Marion County, with plenty for kids to enjoy as well.

## **Career Advancement Opportunities:**

There are many great opportunities, my education has given me the opportunity to fulfill one of few civil engineering careers in Marion County. I love the opportunity to serve the residents of Marion County in this capacity. My wife's education (Central College) has provided us both with professional careers in Marion County.

## **Favorite Place to Relax:**

111 Public House, Peace Tree, A&P Pub, Casa Grande, Grand Theater, Wackos, Lake Red Rock, Des Moines River, Peanut Pub, Georges, Downtown Diner, Windmill Café, Corps of Eng. and Marion County Campgrounds, Knoxville Raceway.

## **Career Advice to Teens:**

Keep an open mind as this field of engineering has a very broad array of disciplines. Try and take as many business, leadership, and management courses as possible to prepare for a career and expand background knowledge. Get intern or coop experience to help provide direction after college.
